

Toddler April Newsletter

Happy Spring! This month we are welcoming Easton and Clementine to our classroom, from the infant room! We are very excited to have them and teach them new skills! We are also saying goodbye to Finn, who is moving to the Two's classroom! We will miss him and we wish him luck in his new room! Also this month is Noah's 2nd Birthday! The toddlers are working hard on learning their numbers and shapes! Reminder... we are closed Monday, April 1st! We will be celebrating Earth Day by doing crafts and talking about the earth, while going on a nature walk! We hope you have a happy Spring!
