We will finally be able to get outside a bit more now that the sun is shining! We will be incorporating the beautiful weather with our daily lessons ☺ we will be learning about the parts of a plant, insects, living and non-living things in nature, parts of a tree, and alpha sounds W, V, Z, and K. I enjoy being outside as much as the children do so on beautiful days we will try to conduct some work times and group times outside ☺ As always, feel free to come to me with any questions, comments, or concerns.
